WHERE

Andalucía

Andalusia is a diverse region in the South of Spain that makes it an ideal location for a wide range of events.

From the green nature & paradise beaches of the South to the dry and magical desert skies of the north to the cosmopolitan cities and the world heritage sites, Andalusia offers a world within a region where imagination is in power.

Our philosophy is to provide a service to ensure that our destination and the services provided fulfill your expectations.

Our work reflects our passion for the regions cultural impact.

We offer our services in more than **100** exclusive locations in the provinces of Andalusia.

We design tailored-made programmes in collaboration with a network of Haciendas, Fincas, Cortijos, Palaces, Terraces or unique venues such as bullrings, Andalusian Patios or historical monuments.

Although Andalusia can be seen as a land of traditional culture and conservative society, our goal is above all to introduce you to the most authentic Andalusia from a contemporary point of view.

Our local staff speaks your language, understands your culture and, most importantly, has an extraordinary know-how in handling events.

HOW

We offer full programs or part of them, group activities and extra services for your events.

There is no inquiry that cannot be answered, no performance is out of reach and no venue impossible. Our commitment is to send you a proposal within 24/48 hours. Our project manager take full responsibility throughout the creation, preparation and operation of your program.

We create and design our own products thanks to our local collaborators network, and our own resources. As example, our Venue Hacienda los Angeles; our own lounge furniture for up to 300 persons, our AV equipment for Galas up to 250 persons.

A woman in a black suit is captured mid-air, performing a high kick on a stage. She is the central focus of the image. In the background, a man in a suit is seated at a piano, and another woman is visible behind him. The stage is lit with blue and purple lights, and there are microphones and other stage equipment visible. The overall atmosphere is that of a live performance or event.
